PRESS RELEASE

“New Liphook Play Park to open”

The Parish Council’s exciting new Play Park in the Recreation Ground, Liphook, will be officially opened at 11.00am on Tuesday 9 August 2011. The opening will be performed by Isobel and Eloise Millard, children of Mr and Mrs Helen Millard, one of the families instrumental in putting the petition to the Parish Council to refurbish the site. The play park will open for play prior to the official opening as soon as the area has been cleared and the current installations have been signed off.

The site will open without the proposed tunnel, so it can be used at the start of the summer holidays. “Sadly there has been a certification problem over the load bearing of the tunnel, so it has had to be removed and will be re-installed once a new tunnel is provided” said Parish Clerk, Tony Groves. “Although beyond our control, I apologise for this, but we did not want to delay the opening” he added.

EJS Playground Services have been carrying out the installation work on behalf of Kompan Unique Playgrounds under the project contract with the Parish Council.

Members of the public are welcome to attend the official opening, together with councillors and representatives from the project team.
