## **Press Statement**

We are pleased to announce, as part of the Bramshott and Liphook Neighbourhood Development Plan, that a visioning event will be taking place on Wednesday 14th June. The Parish Council has recently appointed Feria Urbansim, an independent planning and design team, to provide advice on the process of developing a neighbourhood plan and to provide fresh ideas and new ways of thinking. The team from Feria Urbanism will be organising and running some key events, the first of which will be the visioning event on Wednesday 14th June at Liphook Millennium Centre. Key stakeholders from the wide variety of groups and organisation in the Parish, who have vital local knowledge and experience to share, will be invited to share their views about what makes the village and Parish a special place to live, work and visit. There will be subsequent events, as the project progresses, where the general public will be able to contribute and share their views.

The NDP page on the website will be updated shortly along with a link to the NDP website.

**Ends**

**The press statement is provided by the Chair of the NDP Steering Group**
