## **PRESS RELEASE**

### **Parish Survey for Bramshott & Liphook**

All households in the Parish, around 4000, will shortly be receiving a Parish Survey, delivered to them by Royal Mail between 19<sup>th</sup> and 23<sup>rd</sup> May. The booklets were taken to the Royal Mail distribution centre in Swindon by Cllrs Phillip Jordan and Michael Croucher, where they were packed ready to be delivered by post.

The Parish Survey is designed to identify key issues and shared visions of the parish. Each household is asked to complete the survey and return it in a pre-paid envelope by 6<sup>th</sup> June 2008. As an additional incentive, there will be a draw for a prize of £100 cash for completed, returned survey booklets. All information collected will be anonymous and held in accordance with the Data Protection Act.

The survey is part of a broader programme of activity to produce a "Parish Plan". John Tough, Chairman of the Parish Council, said, "The Parish Plan will be produced by the community to show how it would like the Parish to develop over the next decade, together with a detailed action plan for achieving this. It will become an important element in the local planning and policy decision processes affecting all aspects of community life."

Councillor Philip Jordan, chairman of the Parish Council's working party dealing with the Parish Survey, said, "It is important that people complete and return the survey booklets to enable the Parish Plan to better reflect the needs and opinions of the entire community."
