Dear Mr Stanley

Water mains work along Longmoor Road, Liphook

I am writing to update you on our £218,000 scheme to install 720 metres along Longmoor Road which has been delayed.

When we tested the newly laid pipe we identified that a small amount of water was leaking. We need to find the exact location of the leak and repair it before we can complete this project.

We hope that all the work will be finished by the end of December but it may continue for a few weeks into the New Year.

On behalf of South East Water I would like to apologise for any inconvenience caused.

Yours sincerely

Chris Love
