Press Statement

The Management Committee of the Liphook Millennium Centre have announced plans to extend and enhance the current cinema offering that takes place monthly at the Millennium Centre. The Centre will be showing a wider variety of films to appeal to all ages. Our next film is Lady in The Van which is showing on 1st and 3rd April, and Spectre on 17th April. Tickets are available now. We are hoping to introduce online booking in the near future making it even easier to book tickets in advance.

The Centre held its first Film & Food Night recently and will be following this up with a special showing of the original Italian Job on 8th April. Tickets for this event are still available and will include Italian food. Other Film & Food nights will be held later in the year showing Mamma Mia and Dirty Dancing.

The LMC Management Committee would like to publicly thank Mr John Tough who has been involved with the monthly cinema for a number of years and we are very grateful for all the hours and effort he has put in to make the cinema such a success
