Little Rec Working Party

February 2022

The working party is to consider options for the Jubilee Recreation Ground, commonly known as the Little Rec, should the current skatepark be removed.

1. The working party should consider the terms in which the land was donated to the parish council, that are recorded on the council website as: *The Jubilee Recreation Ground is more commonly referred to as the Little Rec and is an area of land, 252 x 126 feet, that stretches from behind the library to the Haslemere Road car park. It was donated by Mr. W. T. Erle to the Parish Council in trust for the use of young children and their parents resident in Liphook and its environs for ever. It currently houses the skate park which was installed in 2001. The Deed of Conveyance is mentioned in the Minutes of the Parish Council meeting held on February 10th 1897. Mention was made of adding part of the playground of the Girls School. The boundary with the County Library (old school) is marked by posts by the wall on the western side. The Deeds were mislaid some time prior to 1957. Ownership was registered with the Land Registry in December 1997.*
2. The working party will consist of Dugg Budd (Grounds Manager), Cllr Simon Coyte, Cllr Susan Garnett, Cllr Debbie Curnow-Ford, Cllr Peter Curnow-Ford, Cllr Emma Winfield and Cllr Jeanette Kirby
3. Representatives from other stakeholders, including neighbours, schools, Methodist Church, Bowls Club etc. may be invited to attend meetings of the working party as considered necessary.
4. The working party will provide updates to the Recreation Committee and report to Full Council with recommendations.
