Date 2022 Surface Treatment Season

Email

Dear Sir / Madam,

Carriageway Repairs Haslemere Road.

As part of the annual programme of works being undertaken by Operation Resilience, we will shortly be undertaking carriageway surface repairs in localised areas along Haslemere Road, Liphook, from Chittlee Manor Estate to Devils Lane.

This is in preparation for a proposed surface treatment, which if undertaken, will be carried out in a future programme at a later date. You will receive separate notification for this work.

The works are currently programmed to start on Monday 18th July 2022 and are expected to take up to 3 days to complete. During this time the road will be closed to through traffic from approximately 09:00 to 15:30 hours. The road will be open outside of these hours.

Yellow sign boards displaying dates and times will be erected at the works limits. These will be updated as soon as possible in the event of any programme changes.

Access for residents and businesses will be maintained wherever possible.

Pedestrian access will always be available.

If you need to make a journey during the works, please allow a little extra time. Operatives stationed throughout the site will be happy to assist either by directing you via a diversion, or through the works via the safest route. In order to avoid

potential injury or damage, please do not walk across the carriageway during the works unless directed by a member of the workforce.

In order to help us to complete the work as quickly as possible, please ensure that no vehicles are parked on the road on the days of the work. Please be aware any vehicles left parked on the road that prevent the works taking place, face the risk of being removed.

Thank you for your co-operation and if you need more information regarding these works, you can use any of the options below.
