

Liphook United Football Club Mini-Tournament

Comments from Alex Bray on behalf of the football club.

The club has traditionally held an annual youth football tournament at Bohunt School. This is a big fund raiser for the club, but we are unable to proceed this year as the school can't commit without knowing when work will start on the new all weather pitch that is being built. As a result, I would like to raise the possibility of holding a much smaller tournament, at the Recreation Ground over a weekend in May. Bohunt have agreed that we could use their car parks to avoid traffic issues in the village.
